

Project Labor Agreement Activity in California

1984 through April 2009

Updated April 10, 2009

This is a working list maintained by Kevin Dayton, Government Affairs Director of Associated Builders and Contractors of California. Identification comes from primary documents as well as secondary sources that include web sites, union publications, and newspaper articles. PLAs on private projects are often not publicized, so this list may not include all PLAs imposed on refineries, power plants, industrial facilities, and housing projects.
