What Do I Learn?

This credential allows more bidding opportunities as green building becomes the standard; it will confirm your general understanding of LEED concepts and sustainable building practices.

- A review of all LEED ratings systems.
- A review of green building concepts such as vegetated roofs, rapidly renewable materials, on site renewable energy, and low emitting materials.
- US Green Building Council core curriculum: Sustainable Sites, Water Efficiency, Energy and Atmosphere, Materials and Resources, and Indoor Environmental Quality

Who Should Attend?

Industry professionals seeking to **take and pass the LEED GA exam** as well as looking to incorporate green strategies into their building projects:

- Architects • Designers • Consultants • Owners
- Engineers • Developers • Contractors • Manufacturers
- Superintendents • Foremen
